

GRANITE FALLS ENERGY, LLC
TRADING SERVICE SUMMARY
APRIL __, 2006

The following is a summary of the basic provisions of a Trading Service for members and non-members of Granite Falls Energy, LLC ("Granite Falls" or the "Company") to buy and sell membership units of Granite Falls. This is not a complete description of all the material aspects of the Trading Service. You should read the entire Operational Manual carefully before buying or selling Granite Falls' membership units on the Trading Service.

- Trading Restrictions. Strict regulation of trading of Granite Falls' membership units is necessary in order to remain exempt from IRS regulations that would result in double taxation of earnings. Accordingly, you may only trade or transfer membership units in accordance with the Trading Service Agreement and Operational Manual and all transfers must be approved by the Board of Governors. All unauthorized trades or transfers will be void and could subject the seller to involuntary redemption of his or her membership units at a fraction of their original price.
- Trading Periods. The Board of Governors will consider trades and transfers once per quarter. All trades and transfers that are approved will be effected on the first day of the following quarter, except when an offer to sell is posted the last 45 days of a quarter and is matched with an offer to buy in which case the transfers are approved the next following quarter. The quarters begin on January 1, April 1, July 1 and October 1 of each calendar year.
- Transfer Requirements. No member may transfer any unit if, in the determination of the Board of Governors, such transfer would cause the Company to be treated as a publicly traded partnership. The Board of Governors may elect in its sole discretion not to recognize any transfer unless and until (i) the Company has received an opinion of counsel satisfactory in form and substance to the Board that the transfer may be lawfully made without registration under applicable state and federal securities laws and that such transfer will not cause the Company to be treated as a Publicly Traded Partnership and (ii) all documents of conveyance are executed and delivered to the Company including the transferor's membership certificate. There is no limit on the number of units or percentage interest that any member may own.
- New Members. All new members must sign a counterpart signature page to Granite Falls' Fifth Amended and Restated Operating and Member Control Agreement.
- Private transfers. Private transfers include a transfer by gift or bequest to a spouse or child of a transferring member or to a trust established for the benefit of such spouse or child or to an existing member of the Company upon ten (10) days written notice to the Company of such gift or some transfers upon death. To make a private transfer you must complete a Private Transfer Application and submit it to the Board of Governors for approval and submit any other required documentation.
- Trading Service. Granite Falls' has engaged FNC Agstock to operate a Trading Service for Granite Falls' membership units. You may not sell or transfer Granite Falls' membership units to any unrelated party other than through this Trading Service. Sellers shall pay FNC Agstock a commission of three percent (3%) of the purchase price for each trade, with a minimum of Two Hundred Fifty Dollars (\$250.00) per transaction. Offers to buy or sell membership units through the Trading Service are non-binding until a written contract for sale has been executed. All offers to buy and sell remain subject to authorization by Granite Falls Board of Governors.
 - Offers to buy or sell membership units through the Trading Service are non-binding until a written contract for sale has been executed. All matched offers to buy and sell remain subject to authorization by the transfer agent.
 - Members interested in buying or selling their membership units should contact FNC Agstock at 1-(855) 827-7391 to complete a Listing Agreement or place a bid. You must indicate the price and

number of membership units you desire to buy or sell in whole unit increments. You may submit your offer to buy or sell at any time during the quarter; however, if you list the membership units for sale during the last 45 days of the quarter, the transaction will not be submitted to the transfer agent until the end of the next quarter. Offers to buy or sell membership units will be made available by FNC Agstock upon request and the lowest asking price will be posted on FNC Agstock website at www.fncagstock.com

- FNC Agstock will match bids with the listed offers for sale on a daily basis (with the exception of weekends and holidays), except that bids may not be matched with offers to sell until the membership units have been listed for at least 15 days. In matching offers, preference is generally given first to the lowest priced offers to sell or the highest bid price, then in the order received. The purchase price will be the buyer's bid price.
- When an offer to sell is matched with a bid, FNC Agstock will contact the buyer and seller by telephone to confirm the sale and then send buyer a Unit Transfer Application. The buyer must return the signed contract to FNC Agstock within ten (10) business days with a 100% deposit of the purchase price plus the counterpart signature page to the operating agreement and other documentation, if applicable. The purchase price deposit will be held by an independent escrow agent until the sale is completed.
- After FNC Agstock receives the buyer's contract and deposit, FNC Agstock will send the contract to the seller who must sign and return it to FNC Agstock within ten (10) business days with his or her membership unit certificate(s) (or a lost certificate affidavit). In the Listing Agreement, the seller agrees to pay FNC Agstocks' commission if the seller fails to sign and return these documents as required.
- If you have pledged your membership units to secure a loan, you must get a signed consent from your lender to sell your membership units. The escrow agent will make the check for the sale proceeds payable to both you and the lender upon written request by the lender.
- Approximately 30 days prior to the end of each quarter, FNC Agstock will submit to the Company's transfer agent the contracts and related documentation to confirm compliance with all Operating Agreement restrictions, including Board approval.
- If the sale is authorized, the transfer agent will reissue the membership units to the buyer and inform FNC Agstock to direct the escrow agent to disburse the net sale proceeds to the seller, after payment of FNC Agstocks' commission. If the sale is not authorized, the purchase price will be returned to the buyer and no commission will be charged.
- Offers to sell and offers to buy may not be listed any longer than 120 days. After an offer to sell or buy has been listed for 120 days it will be removed. A buyer may repost his or her offer to buy immediately; however, a seller will not be able to list any membership units for sale for at least 60 days after the offer is removed.
- No more than 10% of Granite Falls' outstanding membership units may be traded through the Trading Service in any calendar year. If the 10% limit is reached, no further trading will be authorized until after the end of the year.

CAUTION: This summary is current only as of the date printed on the first page. It may be updated or revised from time in the discretion of Granite Falls' Board and in coordination with FNC Agstock. The most current version will always be available on Granite Falls' website, upon request to Granite Falls or by link on FNC Agstocks' website. Buyers and sellers should confirm that they are referring to the most current version of the Trading Service Operations Manual when using the Trading Service or transferring membership units.
