GLOSSARY

DEFINITION OF CERTAIN TERMS

With this questionnaire, certain terms have been used which have certain meanings associated with them. These terms, and their meanings, are as follows:

Affiliate: The term “Affiliate” of the Company or person “affiliated” with the Company includes any of the following persons:

1. any Governor or Officer of the Company;
2. any person that directly or indirectly controls, or is controlled by, or is under common control with, the Company;
3. any person performing general management or advisory services for the Company; and
4. any “Associate” of the foregoing persons.

Associate: An “Associate” of, or a person “associated” with, you means: (i) any relative (as defined below) of such person, (ii) any corporation or organization (other than the Company or its subsidiaries) of which such person is an Officer or partner or directly or indirectly the beneficial owner of 10% or more of any class of equity securities and (iii) any trust or estate in which such person has a substantial beneficial interest or as to which such person serves as a trustee, executor or in a similar fiduciary capacity.

Beneficially Owned: A “beneficial owner” of a security includes any person who, directly or indirectly, through any contract, arrangement, understanding, relationship or otherwise has or shares (i) **voting power**, including the power to direct the voting of such security, or (ii) **investment power**, including the power to dispose of, or direct the disposition of, such security. In addition, a person is deemed to have “beneficial ownership” of a security of which such person has the right to acquire beneficial ownership at any time within 60 days, including, but not limited to, any right to acquire such security: (i) through the exercise of any option, warrant or right, (ii) through the conversion of any security or (iii) pursuant to the power to revoke, or the automatic termination of, a trust, discretionary account or similar arrangement.

It is possible that a security may have more than one “beneficial owner,” such as a trust, with two co-trustees sharing voting power, and the settlor or another third party having investment power, in which case each of the three would be the “beneficial owner” of the securities in the trust. The power to vote or direct the voting, or to invest or dispose of, or direct the investment or disposition of, a security may be indirect and arise from legal, economic, contractual or other rights, and the determination of beneficial ownership depends upon who ultimately possesses or shares the power to direct the voting or the disposition of the security.

The final determination of the existence of beneficial ownership depends upon the facts of each case. You may, if you believe the facts warrant it, disclaim beneficial ownership of securities that might otherwise be considered “beneficially owned” by you.

Control: The term “control” (including the terms “controlling,” “controlled by” and “under

common control with”) means possession, directly or indirectly, of the power to direct or cause the direction of the management and policies of a person, whether through the ownership of voting securities, by contract or otherwise.

Governor: For purpose of this Questionnaire, “Governor” shall mean any Governor of a corporation, trustee of a trust, general partner of a partnership, or any person who performs for an organization functions similar to those performed by the foregoing persons.

Executive Officer: The term “Executive Officer” means a president, a principal financial officer, a principal accounting officer (or, if there is no such accounting officer, the controller), any vice president in charge of a principal business unit, division or function (such as sales, administration or finance), any other officer who performs a policy making function and any other person performing similar policy making functions. Executive officers of the Company’s subsidiaries may be deemed executive officers of the Company if they perform such policy making functions for the Company.

Immediate Family Member: The term “Immediate Family Member” of a person means the person’s spouse, minor child or stepchild, or an adult child or stepchild sharing the person’s home. For all other purposes, “Immediate Family Member” of a person means the person’s spouse, parents, children, siblings, mothers and fathers-in-law, sons and daughters-in-law, brothers and sisters-in-law, and anyone (other than domestic employees) who shares such person’s home.

Material: The term “material,” when used to qualify a requirement for the furnishing of information as to any subject, unless otherwise indicated, limits the information required to those matters as to which there is a substantial likelihood that a reasonable investor would attach importance in determining whether to purchase the Company’s membership units.

Officer: The term “Officer” means a president, vice president, secretary, treasurer or principal financial officer, controller or principal accounting officer and any person routinely performing corresponding functions with respect to any organization whether incorporated or unincorporated.

Person: The term “person” means an individual, corporation, partnership, limited liability company, association, joint stock company, trust, unincorporated organization or a government or political subdivision thereof.

Relative: The term “relative” means any spouse of such person, or any relative of such spouse who has the same home as such person or who is a Governor or Officer of the Company or any of its subsidiaries.

APPENDIX A

Appendix A should contain the biographic information regarding the relevant Governor nominee, including the following items:

- Identifying information including name, age, positions and offices held with other companies by such person, term of office, if any, and the period during which he or she has served as such.
